

## About ASU Prep Digital

ASU Preparatory Academy is an innovative K-12 school where teachers, students and families share the same goal – college graduation. Located in the Phoenix Metro area and chartered by Arizona State University, the district has a diversified student population.

ASU Prep Digital is part of the network of site-based schools in Arizona. Currently ASU Preparatory Academy campuses are located in Mesa (K-12), Phoenix (K-12), South Phoenix (K-12), Casa Grande (7-12), Pilgrim Rest (K-6), and Digital (K-12). The student body is culturally diverse with a population that is 34% Hispanic, 9% African American, 44% white, 8% Asian, and 5% American Indian/Alaskan Native. The mission of ASU Prep Digital is to design new models for educational success and raise academic achievement for all learners.

## School

### ASU Prep Digital

ASU Prep Digital is a comprehensive school serving grades K-12. Based in Phoenix, Arizona, the online school opened in the fall of 2017, serving grades 9-12. In August 2020, a K-8 program was launched. Accredited by Cognia (formerly AdvancEd), ASU Prep Digital graduated its first senior class in the spring of 2018.

### Khan World School @ ASU Prep (KWS)

Khan World School @ ASU Prep (KWS) is a full-time online honors program serving grades 6–12 where students demonstrate mastery-level learning. Based in Phoenix, Arizona, this fully accredited online program opened in Fall 2022 for Arizona high school students as well as national and international students. KWS graduated its first senior class in the spring of 2024.

### ASU Prep Tempe powered by The Levitt Lab

Established in Fall 2025, ASU Prep Tempe powered by The Levitt Lab, was founded as a small, college-going school model located on Arizona State University's Tempe campus. Blending world-class online coursework with bold new ways of learning, this full-time, in person high school program is part of the ASU Prep network of innovative, tuition-free public schools. ASU Prep Tempe students master educational topics through blended-learning and attend on campus for in-person collaboration and coursework, Socratic-style discussions, and hands-on projects that tackle real-world problems.

## Academic Program

### ASU Prep Digital

ASU Prep Digital combines online high school and university courses, giving students the opportunity to earn college credit along with their high school diploma. This international online school offers college-prep curriculum, passionate online teachers, university professors and personal success coaches. ASU Prep Digital partners with U.S. and international schools to offer single course enrollments and full-time, diploma-granting programs.

Unique to our program, ASU Prep Digital's high school curriculum integrates with the university to build learning pathways into the disciplines, allowing students to access faculty and major level courses while in high school. Likewise, ASU Prep Digital proactively seeks and secures university resources to integrate into the high school program and curriculum.

## Khan World School @ ASU Prep (KWS)

KWS combines online honors high school courses with university courses, giving students the opportunity to earn college credit along with their high school diploma. Students progress through college-prep honors curriculum supported by passionate online teachers and personal guides for advising, with access to university professors and instructors.

KWS was designed for students to work together solving real-world problems in a unique way that rewards curiosity, empowers agency and provides them with the skills and confidence needed to excel in college and beyond. KWS seniors complete a 30+ hour Senior Capstone Project focused on community service in order to earn their KWS Honor Stole for graduation. This project combines their skills in data analysis and planning to show impact in their community.

## ASU Prep Tempe powered by The Levitt Lab

Grounded in ASU's innovative teaching methods and fueled by a relentless curiosity, this high school gives students the tools to take control of their education. Students advance by demonstrating proficiency in clearly defined outcomes—rather than accumulating points—while engaging in a rigorous curriculum of college-prep, honors and university-level courses, and also completing a cumulative digital portfolio.

Through four instructional pillars—The Core (mastery-driven digital and in-person learning), Seminars (Socratic discussions), Wonder Sessions (curiosity-sparking explorations) and In-Depth Explorations (student-led projects)—learners develop skills to think critically, act boldly and lead confidently in college and beyond. Rooted in personalized learning and real-world exploration, this innovative model provides flexibility that fosters curiosity, wellness and self-direction, preparing students to succeed in the world today and the one they'll create tomorrow.

## Rank

School policy does not allow for individual ranking and instead ranks students based on grade point average percentage in the class; Weighted GPA for Summa Cum Laude - 4.0+; GPA for Magna Cum Laude -3.8 to 3.99; GPA for Cum Laude - 3.5 to 3.79.

## Grade Point Average (GPA) Calculation

GPA is calculated based on adding all points earned and dividing the total points by the total number of courses taken. All high school and college-level courses count toward their cumulative GPA. Honors and concurrent courses are awarded an extra grade point for a grade of A, B, C, up to a maximum of 5 points. Grades are recorded at the end of the fall and spring term. At ASU Prep Digital, 22 credits are required for graduation.

## Senior Seminar

As part of the ASU Prep Digital college-going culture, all seniors take Senior Seminar, an elective course, in the Fall and Spring of the graduating year. In this course, seniors explore topics and strategies to aid them in the college admissions process and in future careers. Topics of study include FAFSA, Common App, career and major exploration, personal finance, and interpersonal skills. Students are also expected to complete a minimum of 10 hours of community service, complete the FAFSA, and submit an application to Arizona State University.
